

At KTNV-Channel 13 Action News we are committed to making Las Vegas a better place for locals and their families. We strive to solve the everyday problems that can make life in Las Vegas frustrating.

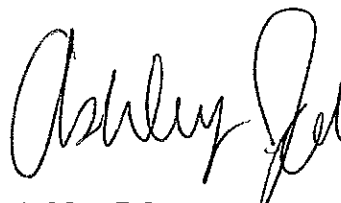

Action News tackles problems that government and big business ignore. We ask the tough questions and hold those in authority accountable.

Attached are the community based stories covered by KTNV-Channel 13 for 1Q10 reflecting (5) significant issues that Southern Nevadans are affected by the most; Health and Welfare, Economic Development, Politics, Education and Public Safety.

Our community involvement extended far beyond covering these issues in our newscasts this 1Q10. Along with covering these stories that matter to the Southern Nevada community, Journal Broadcast Group's On-Air Talent and Behind-the-Scenes staff addressed our community's needs by participating in local events that were areas of concern for them.

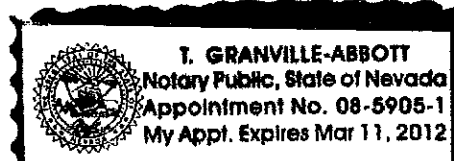

Specific to 1Q10 was the annual MDA "Fill the Boot & Pancake Breakfast", where KTNV Talent Casey Smith helped flip pancakes alongside Las Vegas Firefighters in an effort to raise money for Jerry's Kids. The focus on kids in our community didn't stop with this fundraiser as several of our Action News Anchors in February went into our School District and read to kids during Nevada Reading Week. Whereas the focus for Nevada Reading week was solely on educating kids, our KTNV Talent were able to be educated themselves through the annual Tastes & Sounds of Soul event that exposed over 18,000 attendees to a variety of cultures.

### PUBLIC SAFETY

NEWS SEGMENT: Action News is committed to making Las Vegas a better place to live and that means helping you and your family stay safe. That's why we want to remind you about Metro's "First Tuesday" event tonight. Metro Officers will teach people how to protect themselves from home invasions and residential robberies. You can learn how residential robbers work and how to avoid being a victim. The program starts @ 7:00 tonight at your local Metro Area Command. Produced by Lisa Link, Broadcast Date: 01/05/10- 7AM GMA CUT-IN. (:25 Seconds).

NEWS SEGMENT: The Public got a chance to sound off on possible cuts to emergency services. Plenty of people packed last night's town hall meeting in Summerlin. Many were city employees worried about getting pay cuts. Close to 70% of the city budget goes to Public Safety, so police and firefighters could be the most affected. The city is asking them to cut \$14 million. The police union agreed to come to the negotiating table, but the firefighters say they won't. Produced by Allison Anslinger, Broadcast Date: 01/12/10- 11AM Newscast. (:40 Seconds).

NEWS SEGMENT: A new Public Safety campaign is being rolled out to warn about the dangers of driving distracted. The transportation department's "Focus Driven" campaign will include billboards and maybe even some TV commercials. 40,000 Americans were killed in car accidents over the past 10-years. Another 2.5 million were injured. Many were teenagers whose parents are among the most vocal advocates. A new report graded all 50 states and the District of Columbia for distracted, drunk and teenage driving laws... along with the required use of seat belts, child booster seats and motorcycle helmets. South Dakota, Arizona and North Dakota were the worst. Nevada ranked in the middle of the pack. Produced by Brian Anslinger, Broadcast Date: 01/12/10- 630PM Newscast. (:50 Seconds).

NEWS SEGMENT: Police and School Officials are hosting a workshop tomorrow on the warning signs of gangs. The meeting, entitled "Our Children and Gangs" is for parents,

teachers and social workers... Clark County Commissioner Susan Brager says parents and adults should work with children to be aware of warning signs of gang activity and involvement. There will be two presentations; one for students, the other for parents, counselors, social workers, and law enforcement. Produced by Daniel Gutierrez, Broadcast Date: 01/19/10- 11AM Newscast. (:30 Seconds).

NEWS SEGMENT: The down economy may correlate with a drop in crime in Southern Nevada. That's according to new statistics. In the 2009 year; Henderson, Las Vegas and North Las Vegas all reported fewer stolen cars. Additionally, homicides were down in Las Vegas and Henderson last year, and Metro reported fewer robberies, gun assaults and deadly accidents. A UNLV Criminal Justice professor says people are staying home more because of the economy which means they are less likely to be victims. Produced by Daniel Gutierrez, Broadcast Date: 01/26/10- 11AM Newscast. (:30 Seconds).

NEWS SEGMENT: Metro Sheriff Doug Gillespie met with the public tonight to reassure them that their safety comes first. Many are worried Metro will scale back in the face of budget cuts. The Sheriff says measures are in place to make cuts, but it will not mean taking officers off the streets. Produced by Traci Wilson, Broadcast Date: 02/09/10- 11PM Newscast. (:15 Seconds).

NEWS SEGMENT: Public safety could be an issue if the proposed budget cuts hit the ranks of the Las Vegas City Marshals. The Marshals provide security and police protection in courts and in city parks as well as getting criminals off the streets. Chris Collins, Executive Director of the Police Protective Association says, "Most people simply don't know much about what the City Marshals do or how effective they are." So today they created a web site "Save Our Marshals.com" to educate the public. Produced by Sharon Tutrone, Broadcast Date: 02/10/10- 5PM Newscast. (:35 Seconds).

NEWS SEGMENT: We're learning new information about the number of accidents involving bicycle riders and motorists... Metro reports 365 accidents involved vehicles and cyclists in 2009... Local cyclists say they feel like targets on the road... Erin Breen, the Director of Community Safe Partnership is calling for more public awareness and cooperation. She says distracted drivers may not realize bikes have the same right to roadways as vehicles and may not realize bike lanes are not turn lanes. Produced by Allison Anslinger, Broadcast Date: 02/23/10- 11AM Newscast. (:50 Seconds).

NEWS SEGMENT: Henderson Police were out in force today to encourage everyone to take good care of some precious cargo. A safety checkpoint was setup to make sure drivers were correctly using child seats. Safe-Kids was also on hand to provide families with free car seats. Officers say about half of the children who come through these types of checkpoints are either unrestrained or in the wrong kinds of seats. Produced by Traci Wilson, Broadcast Date: 02/25/10- 11PM Newscast. (:25 Seconds).

NEWS SEGMENT: Whether you walk or drive, make sure you follow the "Rules of the Road" – But especially today. North Las Vegas Police will be conducting a Pedestrian Safety Enforcement from 9AM-9PM. They'll patrol high traffic areas looking for

pedestrians who don't use marked crosswalks and drivers who don't stop for them. Produced by Micah Manalo, Broadcast Date: 02/27/10- 6AM Newscast. (:20 Seconds).

NEWS SEGMENT: Good news on the local crime front. Fewer people are losing their cars to thieves, and Metro wants to keep it that way. That's the focus of tonight's First Tuesday Meeting. Metro reports a 54% drop in auto thefts since 2004. Officers will talk tonight about how they're protecting your car. The meetings are free and open to everyone @ 7:00 at the various Metro Substations around the Valley. Produced by Rosemary O'Donnell, Broadcast Date: 03/02/10- 5AM Newscast. (:20 Seconds).

NEWS SEGMENT: Nevada Child Seeker's Annual Dash and Stroll Race for Kids is this morning. It starts @ 7:45AM. Metro employees have formed several teams to help the organization-which helps in the prevention, identification and location efforts of missing and exploited children. The event is over at the District at Green Valley Parkway and the 215. Registration is @ 6AM. Produced by Micah Manalo, Broadcast Date: 03/13/10 @ 5AM Newscast. (:15 seconds).

NEWS SEGMENT: It's Seatbelt Awareness Week and there are events all week long focusing on staying safe on the roads. UMC is teaming up with local law enforcement to encourage everyone to buckle up. At today's event, local leaders discussed ways to keep our roads safe. Statistics show things are getting better on Nevada roads and freeways. We're the best state in the nation for reducing the number of fatal accidents. 243 people died on the roads across our state last year. 116 of those people weren't wearing seatbelts. Produced by Traci Wilson, Broadcast Date: 03/22/10- 630PM Newscast. (:30 Seconds).

NEWS SEGMENT: Metro held a news conference a little while ago to talk about Spring Break here in Clark County. Most students are off from school next week and Metro wants to make sure they stay safe. Officers are urging parents to keep track of their kids, watch what they're doing and know who they're hanging out with. Produced by Sharon Tutrone, Broadcast Date: 03/23/10- 4PM Newscast. (:20 Seconds).
